Aloha, OR**

Washington County's Department of Land Use and Transportation invites you to attend a neighborhood Open House regarding the design development status for the SW 185<sup>th</sup> Avenue Project upcoming improvements. The project is between SW Blanton Street and south of SW Kinnaman Road.

Staff from Washington County's Capital Project Management and its design consultant firm, WHPacific, will be available to discuss the selected alignment for interim improvements with you and to answer your questions.

When constructed, the interim improvements will provide two travel lanes with a continuous center turn lane. At Kinnaman and Blanton there will be additional road improvements to accommodate future traffic needs.

The Project will include:

- Improve the roadway to a final full design on the west side of 185<sup>th</sup> Avenue including curbs, sidewalk, bike lanes, and landscaping.
- The east side of SW 185<sup>th</sup> Avenue will be constructed with interim improvements including a road shoulder/bike lane and sidewalk.
- Storm and drainage facilities
- Street lighting
- Bike lanes (both sides)
- Sidewalks (both sides)
- Other roadway features

Online at: [www.wc-roads.com](http://www.wc-roads.com) then  
"Construction Project List" then  
"185<sup>th</sup> (TV Hwy to Kinnaman)"

At the Open House there will be a County Right-of-Way representative to answer general acquisition questions. The start of needed right-of-way acquisitions and direct contact with property owners is projected to occur this winter.

This project is anticipated to bid for construction late 2009/early 2010. Primary construction will occur during Summer 2010.
